SWISS SOLAR Pro.

Gaolan business park produkte für solarkontainer

Überblick

The mobile solar container range redefines on-site powerby harnessing the sun's energy in an efficient and reliable way to maximize the solar yield. Hybrid performance with a generator or an Energy Storage System makes the ZSC mobile solar containers as part of a microgrid solution. Industrial parks are facing growing electricity demand, grid instability, and environmental pressure. Over the past three decades, we have been committed to providing flexible and innovative solutions for global customers looking to lease or buy new or used containers, whether for cargo shipment, storage or conversion for other purposes.

Gaolan business park produkte für solarkontainer
